

TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

## Matagorda Bay Ecosystem Assessment Informational Meeting

September 26, 2019

Palacios, TX

### Meeting Overview

Please join CPA Natural Resources staff and TAMU-CC researchers to discuss project objectives, methods, and deliverables for an ecosystem assessment of Matagorda Bay.

Attendees will have the opportunity to ask questions and provide feedback on project deliverables.

Read the Comptroller's [recent press release](#) for more information on the planned research.

### Who Should Attend

All local stakeholders are welcome, including general public, government, industry, and more.
